

NATIONAL BIRD DAY

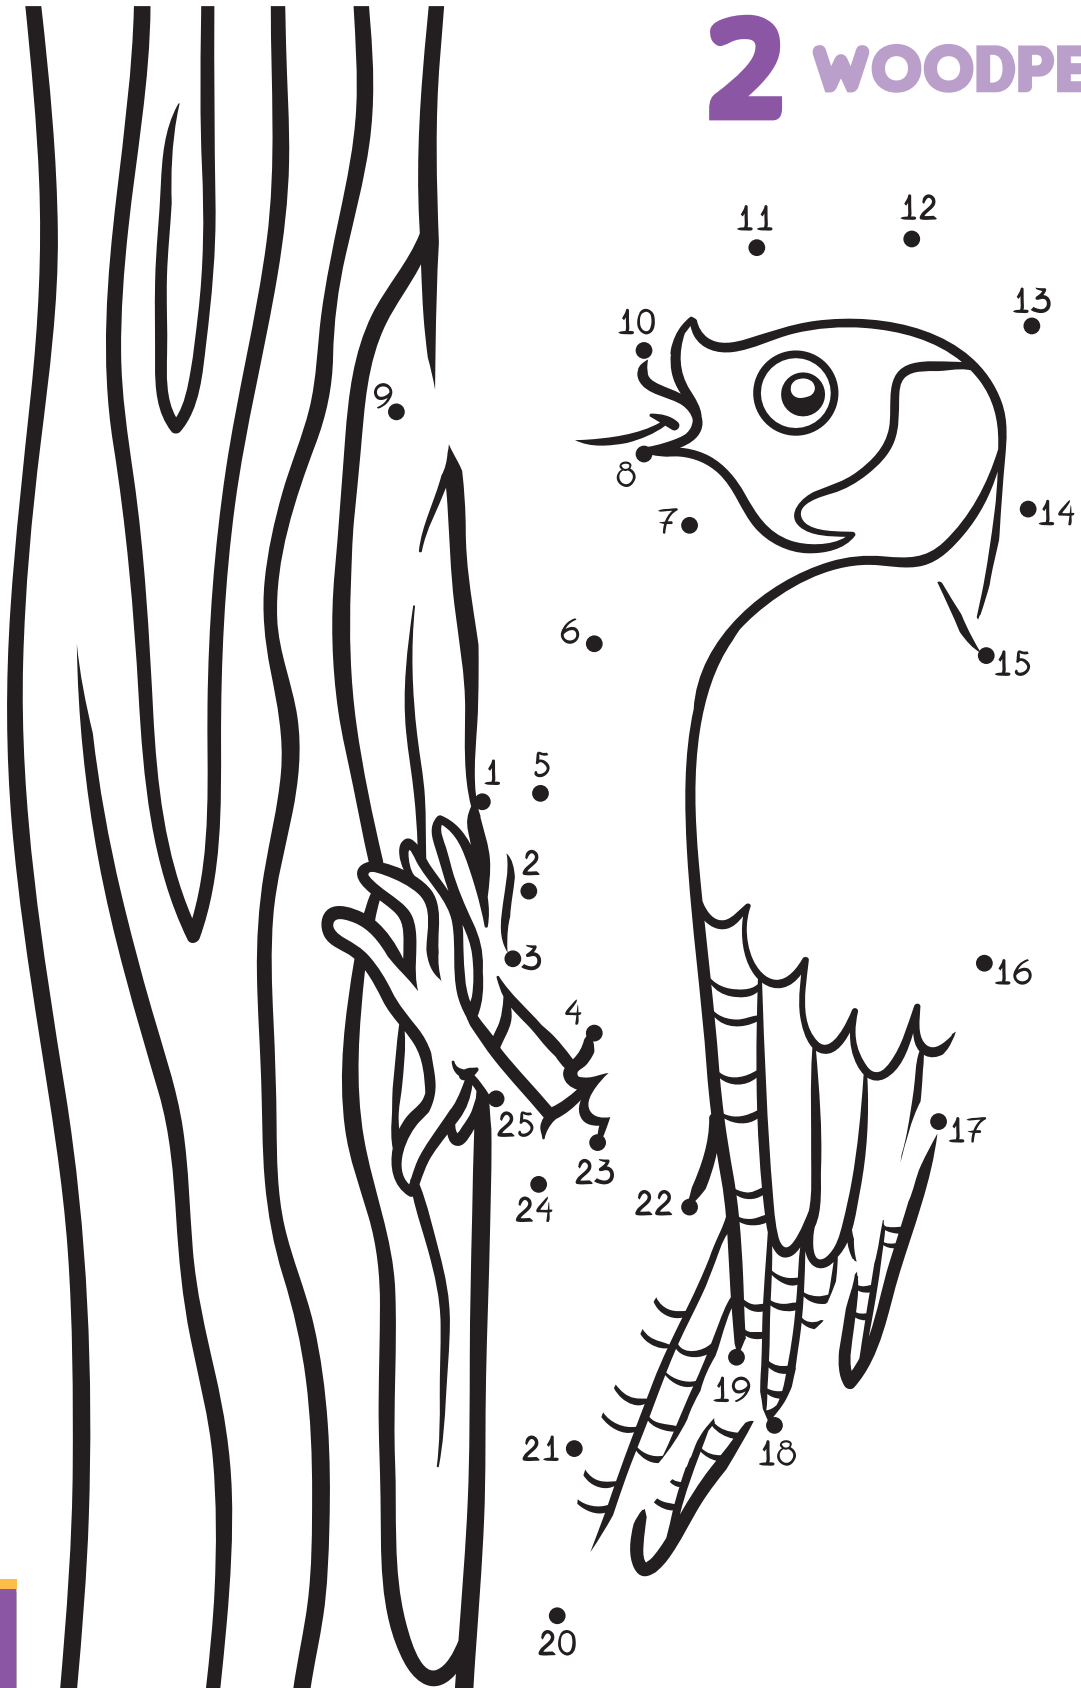

Did you know that there are over ten thousand species of birds? It's fun to watch birds in nature and listen to their songs. You can bring birds (and their songs) to your back yard by hanging a bird feeder. Bunmi loves to watch the birds eat from her bird feeder all year long! Connect the dots on the next three pages to see what birds visit Bunmi's yard each year.

*Color your birds when you are done and share them with Scout for a cool prize.
Have an adult email a photo of your finished sheets to Scout@BrittFest.org*
