

SQUIRREL APPRECIATION DAY

Did you know that there are over 250 species of squirrels all around the world? Our friend Sasha likes to do his part in helping keep forest healthy by burying nuts which grow into trees! Connect the dots on the next two pages to see two of Sasha's squirrel friends

*Color the squirrels when you are done and share them with Scout for a cool prize.
Have an adult email a photo of your finished sheets to Scout@BrittFest.org*
