

THE BRITTKIDS BUDDIES ARE BACK IN OUR SOLAR SYSTEM TO WATCH THE 5TH ANNUAL RINGS OF SATURN SPACESHIP RACE! AT LEAST THAT'S WHAT OOLA TOLD THEM THEY'D BE DOING...

CHECK OUT SATURN'S RINGS, KIDS!

THEY'RE MADE OF OLD COMETS AND ASTEROIDS THAT BROKE INTO MILLIONS OF PIECES.

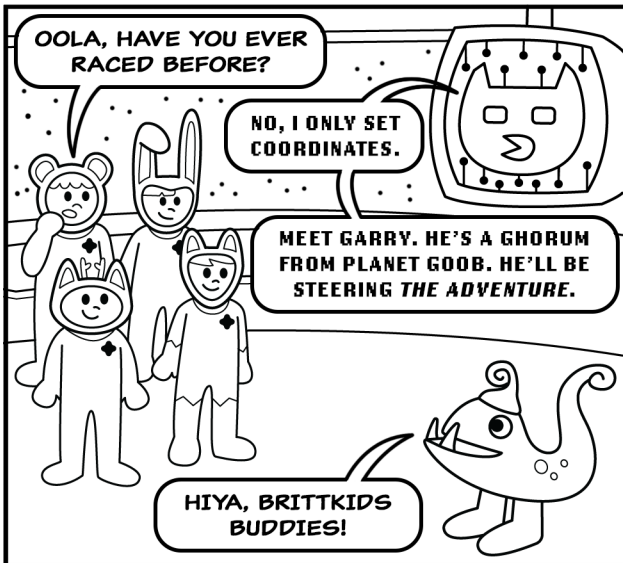

NOW THEY ORBIT THIS HUGE PLANET.

I DID SAY WE'D ONLY BE WATCHING THE RACE, BUT ACTUALLY...

LET ME GUESS: WE'RE IN THE RACE!

THESE TRIPS ARE ALWAYS MORE THAN THEY SEEM.

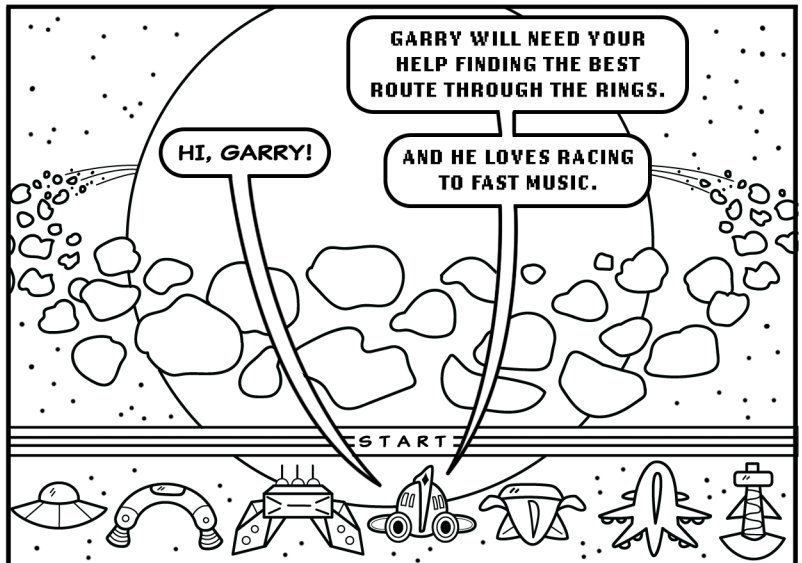

OOLA, HAVE YOU EVER RACED BEFORE?

NO, I ONLY SET COORDINATES.

MEET GARRY. HE'S A GHORUM FROM PLANET GOOB. HE'LL BE STEERING THE ADVENTURE.

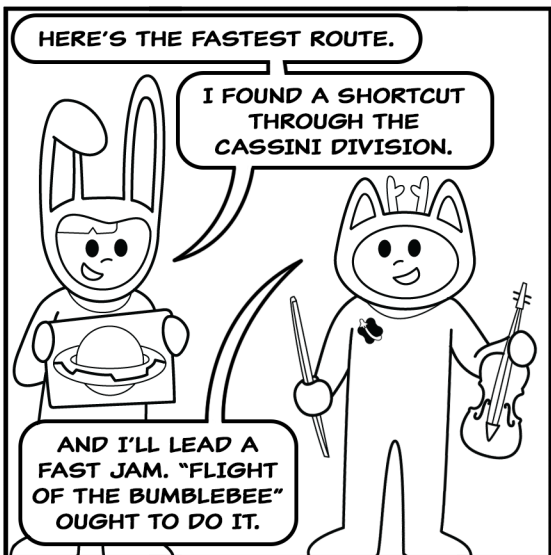

HIYA, BRITTKIDS BUDDIES!

GARRY WILL NEED YOUR HELP FINDING THE BEST ROUTE THROUGH THE RINGS.

HI, GARRY!

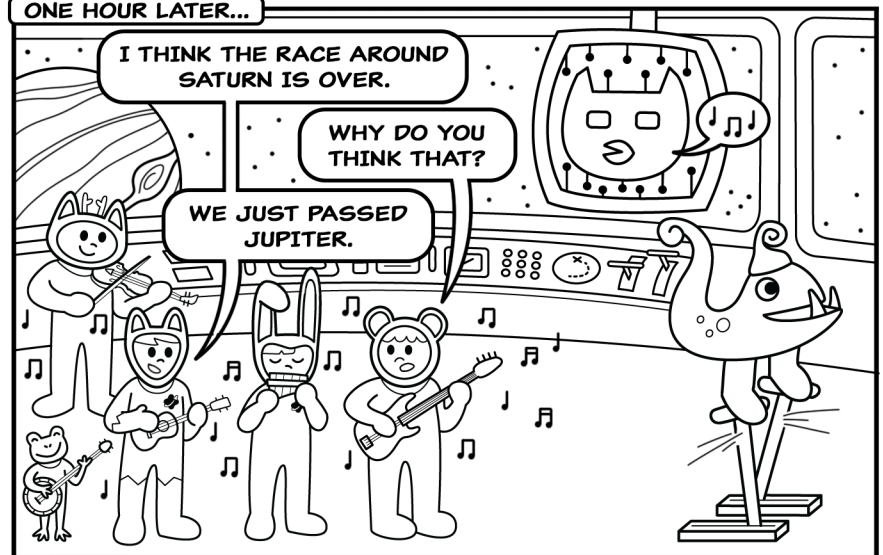

AND HE LOVES RACING TO FAST MUSIC.

HERE'S THE FASTEST ROUTE.

I FOUND A SHORTCUT THROUGH THE CASSINI DIVISION.

AND I'LL LEAD A FAST JAM. "FLIGHT OF THE BUMBLEBEE" OUGHT TO DO IT.

ONE HOUR LATER...

I THINK THE RACE AROUND SATURN IS OVER.

WHY DO YOU THINK THAT?

WE JUST PASSED JUPITER.
